

PREVENTIVE BASIC PROTECTION MEASURES AND RECOMMENDATIONS

IN THE COVID-19 CONTEXT

In addition to specific preventive measures that are being put in place during the MYBA Charter Show following a strict and regular cleaning and disinfection protocol of all areas used by the public, we would like to draw your attention to the below recommendations.

MASKS

The use of masks is mandatory for all people over 6 years of age in:

- Closed spaces open to the public
- On public transportation

INDOOR SPACES

- Ensure correct ventilation of closed spaces
- Keep safe distancing between persons

HYGIENE

- Wash hands frequently
- Use hydroalcoholic gels that are at your disposal
- When coughing, ensure mouth is covered with the inside of your elbow and avoid touching face, nose and eyes
- People who present symptoms compatible with Covid-19 should contact the local public health system

We thank you in advance for your understanding and application of the above measures.
