Welcome letter from Güneş Aysun Chair of the MYBA Charter Show Panel

Dear Friends and Colleagues,

It is a true pleasure to welcome you to the 2025 MYBA Charter Show and to Sanremo, where the Show first began.

Sanremo was the original home of the MYBA Charter Show, and returning here for the 35th show is both meaningful and exciting. The charm of the port, the beauty of the Ligurian coast, and the warm hospitality we have received all remind us why Sanremo holds such a special place in MYBA's history.

This year's show brings together an exceptional line-up: more than 80 charter yachts ranging from 20 to over 90 metres, over 550 brokers and central agents, and approximately 70 exhibitors representing a wide range of excellence in yachting services. While the numbers are impressive, it is the sense of community and collaboration that truly defines the MYBA Charter Show.

The 2025 programme promises to be both dynamic and inspiring. Highlights include the renowned MYBA Superyacht Chefs' Competition, themed "Wellness on a Plate," and the much anticipated "All Hands on Deck" challenge, celebrating the talent and spirit of yacht crews. In addition to these signature events, the schedule features engaging seminars, the Show Opening Cocktail, the Captains' Dinner, party nights, and the Thank You To The Crew Event.

This letter also provides an opportunity to acknowledge those who make the Show possible. Without the generous support of the Owners and the dedication of their crew, this event could not happen. Also, my sincere thanks go to all our Exhibitors for their commitment and continued participation. As Chair of the Show Panel, I have had the privilege of working alongside an extraordinary group of professionals. I would like to extend my thanks to the MYBA/AYSAS administration team — especially Jane Adlington-Brumer, Armelle Dunphy, and Hadidja Le Cozic Bacar — whose dedication and efficiency have been instrumental throughout the organisation of this event. I would also like to thank our Marketing Consultant, Pat Sakellari, for all her work and support with the sponsors, branding and her communications expertise.

A special note of appreciation goes to the Portosole Marina management and their team for welcoming us back and for their seamless collaboration in preparing the venue. And finally, I am truly grateful to every member of the MYBA Charter Show Panel, our sponsors, and all those who have contributed to delivering this remarkable event.

MYBA has always stood for excellence, integrity, and community and I believe this year's show will reflect all three. Whether this is your first MYBA Charter Show or one of many, I hope the 2025 show in Sanremo will be a rewarding and memorable experience.

Warmest regards,

Güneş Aysun
Chair, MYBA Charter Show Panel

Welcome letter from Giorgio Casareto CEO and General Director of Portosole Sanremo

Dear attendees,

We're delighted to welcome you to Portosole Sanremo for the 35th MYBA Charter Show, which we're sure will be an experience full of new connections and opportunities.

It's an honour for us to play host to this prestigious international event, which organised its very first show right here in Portosole. Being able to welcome you here today is both a return to our roots and an important step forward towards the future of our marina and our city.

Portosole is one of the top-rated marinas in the Mediterranean for yachts and superyachts. Starting this year, our port has charted a new course, one based on an ambitious growth plan that aims to consolidate Portosole's position as a point of excellence in the industry.

I'd also like to add, on a personal note, that it's a special pleasure for me to welcome you today in my role as the new CEO of Portosole. After many years' experience in yachting and the port industry, taking on this job in the year that the MYBA Charter Show returns to Sanremo has a special value for me. It represents an opportunity to leverage our expertise and passion and actively contribute to the port's renewal, not least through prestigious events like this one.

In the new season Portosole is gearing up for, as confirmed by its organisation of a major project like the 2025 MYBA Charter Show, a key player is of course Sanremo, a city rich in history and appeal, with a deep-rooted culture of hospitality, and the perfect location to foster connections between those working in the superyacht industry, as well of course as to accommodate the large number of confirmed yachts and guests.

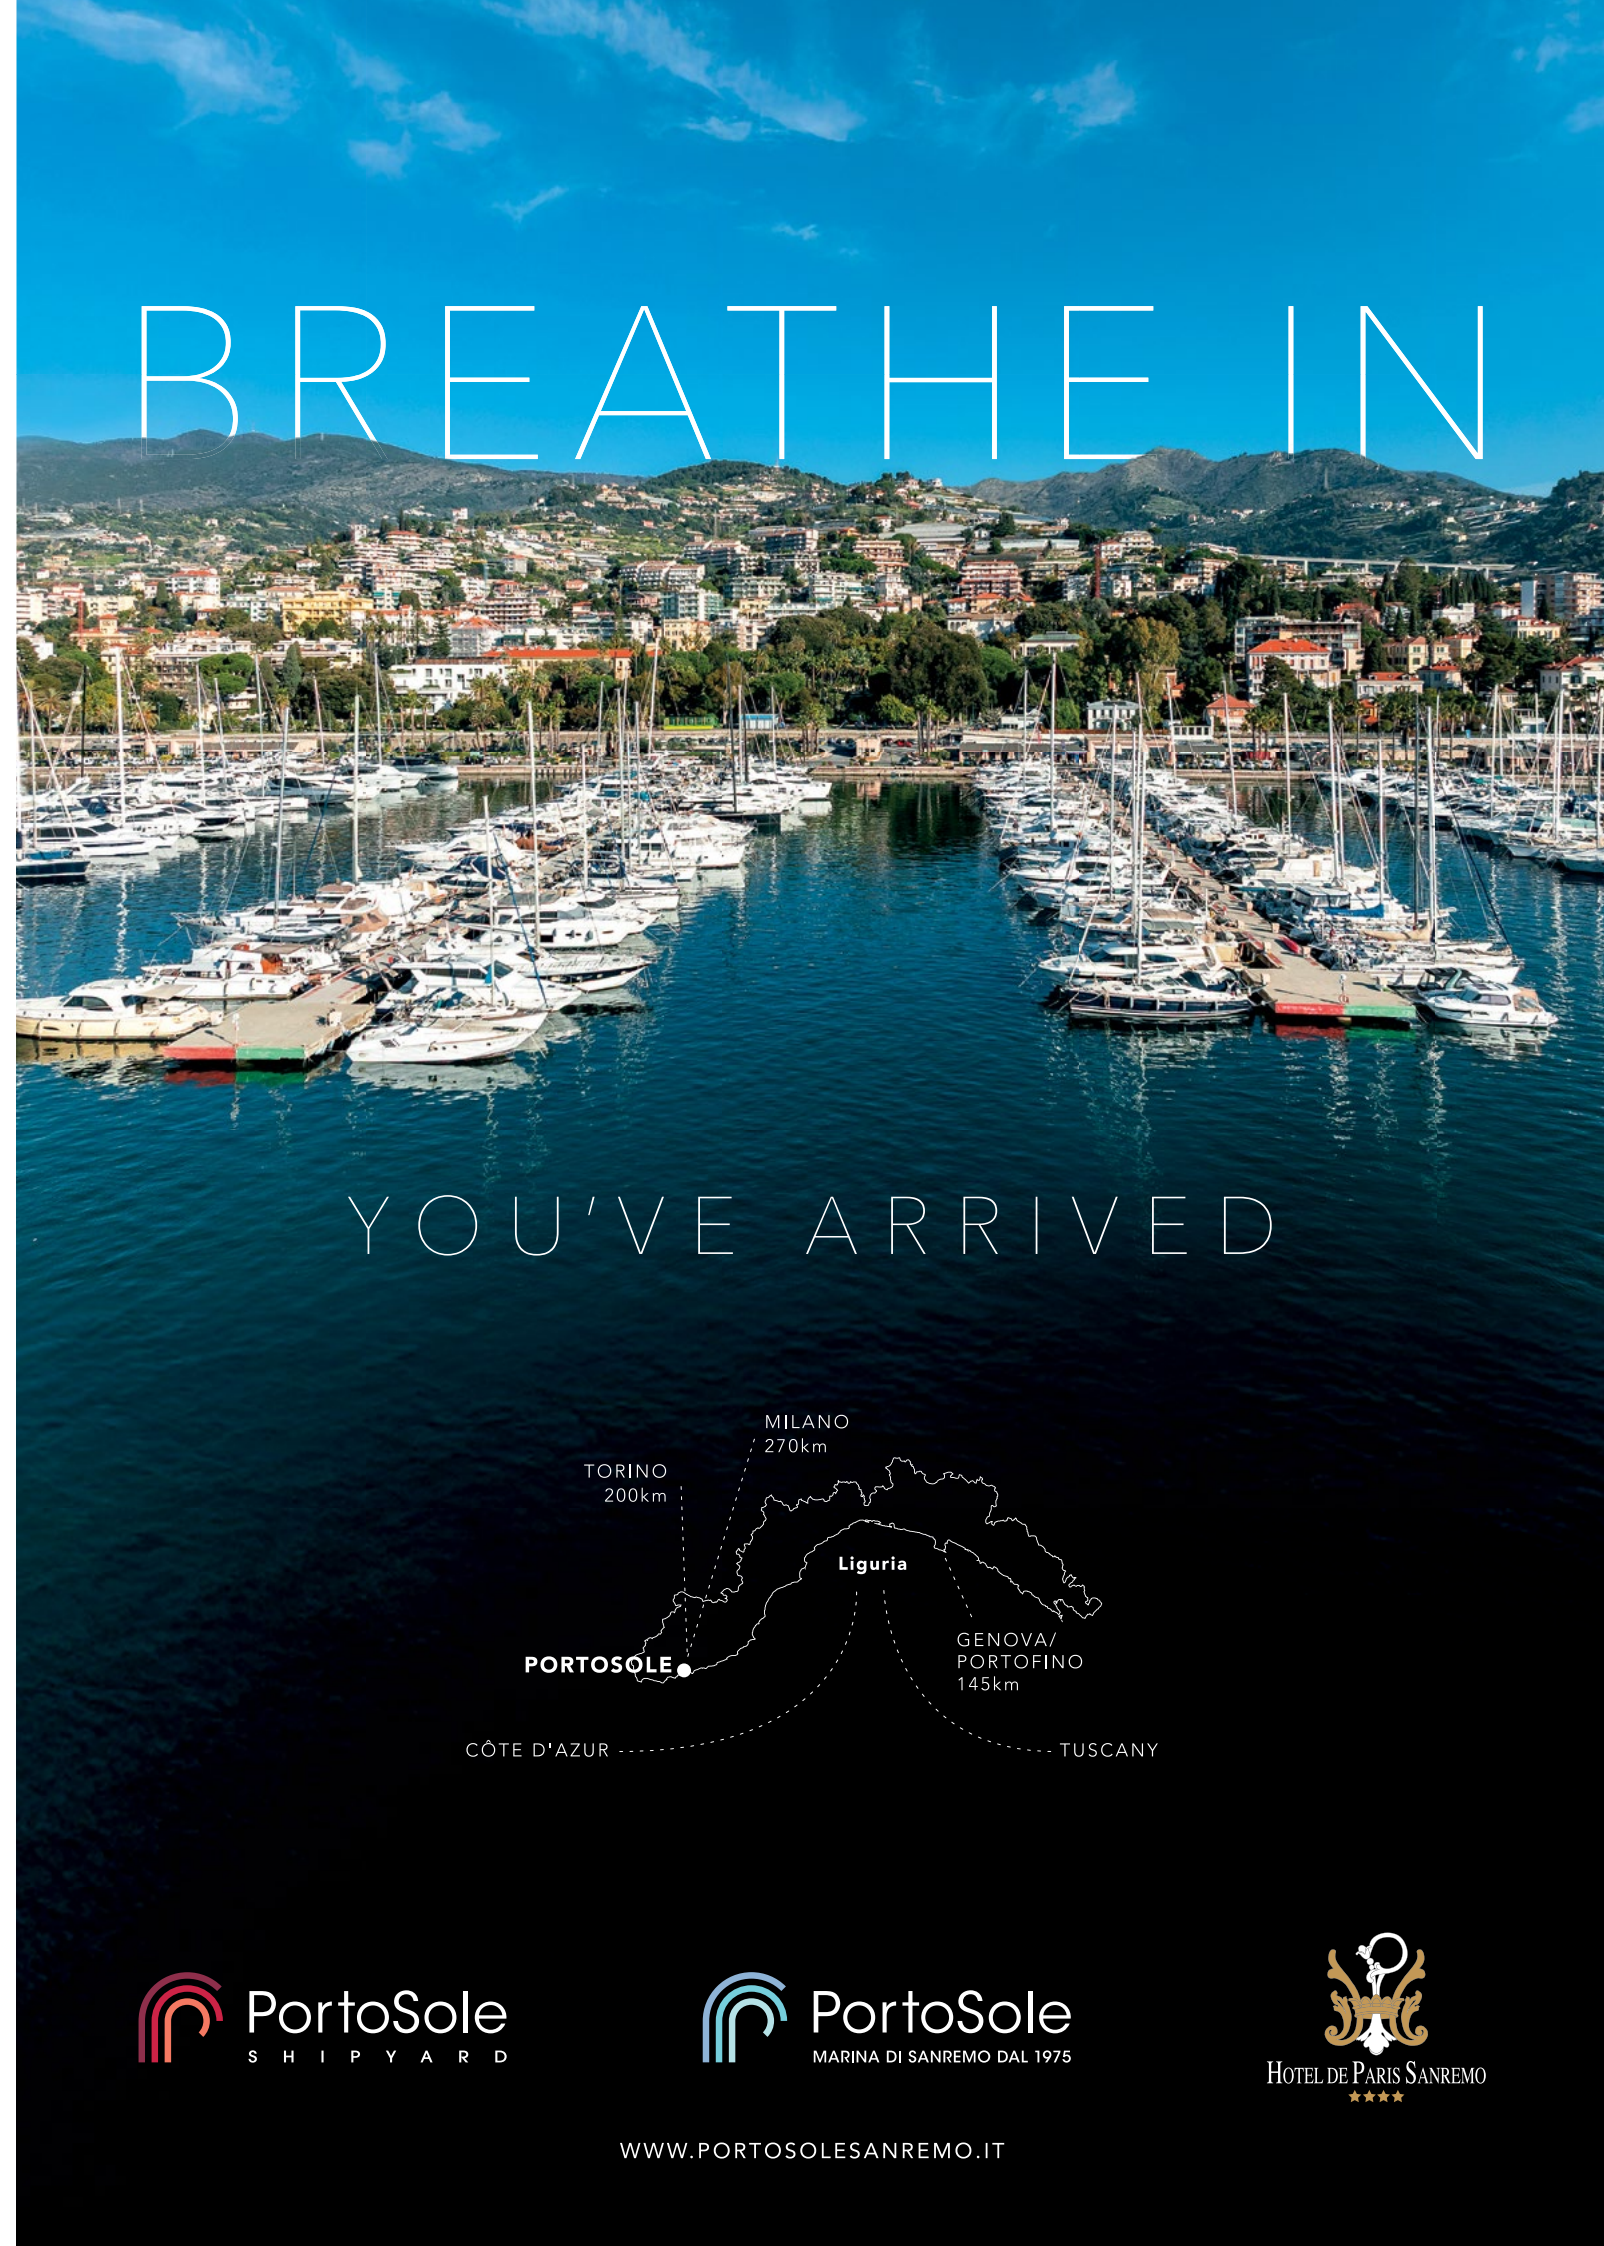

We're sure that the beauty of our local area, combined with the unique atmosphere of the event, will provide the perfect backdrop for fruitful professional connections and opportunities to meet interesting people.

I wish you a show full of connections and successes.

Welcome to Portosole.

Welcome to Sanremo.

Giorgio Casareto
