We are happy to announce a new edition of the ALL HANDS ON DECK competition during the 2019 MYBA Charter Show.

This is a chance for the whole crew, with a particular focus on the deck team, to demonstrate their ingenuity, sense of hospitality, knowledge and talent to the attending Brokers.

We all know that a vast array of toys goes a long way in getting that contract signed. But those toys have no life of their own: it takes the soul and spirit of a great crew to ensure that clients will have the time of their life, often overcoming obstacles such as breakdowns, timing and the weather. This is where the whole crew, with the deck crew leading the way, will have their chance to shine!
THE SCENE
You are anchored in a Mediterranean bay where the use of power watercraft is forbidden (using the tender for going ashore is allowed). The sea is calm, the sun is shining, there is a good breeze and the yacht will stay in the bay for the whole day. The charter party consists of 10 guests in total: 5 adults (one of which is over 70 years old), 3 teenagers and 2 x 8 year olds.

THE CHALLENGE
How will you keep the guests entertained throughout the day, ensuring that all members of the group participate and enjoy themselves?
A maximum of 7 yachts per category will be accepted, on a first-come, first-serve basis.

THE PROCEDURE
You can present your proposals in any way or format you feel appropriate: using videos, photos or an oral presentation.
The length of the presentation should not exceed 15 minutes.
